

Colorado Child Care Contribution Credit at YMCA of the Pikes Peak Region

With your donation to the YMCA of the Pikes Peak Region, you can take advantage of the Colorado Child Care Contribution Credit (CCCC). The CCCC was designed to **promote quality child care** and increase availability across the state of Colorado.

When you select the CCCC box on your pledge form, the YMCA will use the CCCC gift to: 1. Operate and/or expand child care programs. 2. Provide financial assistance to families who cannot afford to pay the full program fee. 3. Train child care professionals.

Guidelines:

- The donor must designate in writing, either on the check, pledge card or by letter that the gift is for the CCCC.
- In-kind gifts do not qualify for the CCCC.
- Donors may not receive any goods or services in return for the contribution.
- The credit allowed shall not exceed \$100,000 per year.

The YMCA will provide a **signed letter** that states the amount of the cash gift and the eligible purpose for which the gift was made, **along with the DR1317 tax form** in January. Donors must then submit the DR1317 tax form to the IRS to be eligible for the credit.
